JA Finance Park® Simulation

Program Overview

JA Finance Park is an innovation in education designed to prepare our region's youth for life and work in the adult world. This learning experience combines in-class learning with a hands-on budgeting simulation.

Volunteer Role

From 8:30am-2:30pm, volunteers help students put into practice classroom material by developing a budget and living as an adult for a month. Volunteers guide students through background research, budgeting practice, and responsible shopping. All volunteers receive JA training the morning of their volunteer experience. Materials, talking points, and support are provided by JA.
