

Exhibitor Booth Information

May 1st, 8th, and 15th, 2025
9:00am-2:30pm

Temple University
Howard Gittis
Student Center

JA Inspire: STEM is an interactive work readiness and STEM career exploration program for students in grades 7-12. The student experience culminates in a visit to the JA Inspire: STEM Expo, and we invite your company to participate in this meaningful culmination of learning!

As a JA Inspire: STEM Exhibitor Company, you will

- Recruit 1-3 volunteers for each event day to host your booth
- Plan a 10-minute demo, experiment, or activity to repeat for several student groups throughout the day at your booth
- Inspire up to 2,000 young people in Philadelphia to explore or pursue a career in STEM!

Sign up here by March 28th
to reserve your company's
booth!
