

JA Titan Challenge: Tomorrow's CEOs Made Today

December 2, 2021 - 4-7pm on Zoom

Junior
Achievement®
of Southeastern Pennsylvania

*Who will be named the region's
JA Titans of Business?*

Join us as student teams compete as CEOs in the cell phone industry, making business decisions and going head-to-head in semi-final rounds leading up to the Regional JA Titan Challenge in December.

JA Titan puts students in the role of CEO while still in high school. They put their economic knowledge to the test making management decisions and exploring the interplay between budget, profit, CSR, production and more!

Educator Information

Overview

The all new JA Titan is a management and economic simulation that pits High School Students against each other as CEOs of a Cell Phone Company. Once registered, the student's mentors will receive access to the simulation, instructions for students to participate in the JA Titan Self-Guided preparation, and logins for students to practice in single player mode prior to the Challenge. Prizes for top teams at the Regional Challenge!
