Becoming a Junior Achievement Young Professionals Board Member

JUNIOR ACHIEVEMENT OF SOUTHEASTERN PA YOUNG PROFESSIONALS BOARD:

JA of Southeastern PA's Young Professionals Board is seeking members! We're looking for passionate individuals that want to make a difference in the lives of the young people in our community and be ambassadors of Junior Achievement. As an ambassador of JA, these creative individuals would leverage their networks, access, and resources to promote interest and generate support for JA's mission. YPB members should be representative of the communities that JA impacts and reflective of the diverse student population we serve.

The JA YPB consists of local young professionals, aged 21-35 who work in the Greater Philadelphia or Southeastern Pennsylvania Region. Junior Achievement will rely on the vision, energetic implementation, and networking skills of the Young Professionals Board. Members have an opportunity to grow and make use of their skills to the benefit of our area's youth.

The YPB is a great opportunity to network, plan philanthropic events, help the community, and inspire the next generation of business leaders. If interested, please submit your resume and statement of interest to Joy Isabelle, joy.isabelle@ja.org.

OBJECTIVES OF THE YOUNG PROFESSIONALS BOARD INCLUDE:

- Build awareness and networks of JA among young professionals.
- Increase JA's volunteer network and engage JA Alumni.
- Support special fundraising events and activities.
- Create unique YPB events and opportunities for young professionals and colleagues as value-added parts of JA activities.
- Develop an understanding of Board protocol, skills, and governance.

BENEFITS:

- Develop relationships with young professionals in other fields.
- Collaborate with team members in planning and executing professional events.
- Learn the intricacies and dynamics of how a Board works.
- Engage in thought leadership with Board of Directors members— most of which are Senior or C-Suite level professionals from the business community.
- Become a role model for young people in your community.
- Understand the power of volunteering in your area and how to utilize it.

RESPONSIBILITIES:

- Attend Quarterly Young Professionals Board Meetings.
- Attend subsequent Work Stream Meetings.
- Participate in at least one of three work streams:
 - Event Planning/ Fundraising
 - Community Engagement (Volunteers, Business & Community Partners, etc.)
 - JA Alumni Engagement
- Make a Personal Financial Contribution to Junior Achievement.
- Leverage personal/professional networks.

ABOUT JUNIOR ACHIEVEMENT OF SOUTHEASTERN PA:

Junior Achievement of Southeastern PA has been inspiring and preparing Southeastern PA's young people to succeed in a global economy for over 65 years. Junior Achievement is in the business of economic development, youth development and education development. JA empowers young people to own their economic success by delivering financial literacy, work readiness and entrepreneurship education experiences to young people in grades kindergarten through high school throughout Southeastern PA.

JA of Southeastern PA has a strong reputation both locally and nationally. Recognized for its student reach, leadership in entrepreneurship education, quality and operational excellence, JA of Southeastern PA will serve over 25,000 students this year covering eight counties.

Thank you for your support of
Junior Achievement.

Our board members are
an integral part of our
organization.

We appreciate all you do!
