

*"I am ecstatic for my future in business and Junior Achievement has given me the knowledge, excitement, courage, and readiness for what is to come. I am determined to succeed because of this outstanding program."*

– Gwendalyn,  
JA Company Program Student

# Ever thought about owning your own company? Make it a reality with JA Company Program

The JA Company Program gives you the chance to put your ideas into action by starting and running your own startup with other students and the guidance of business professionals.

- Learn to start and run a business
- Apply entrepreneurial thinking to all aspects of school, work, and life
- Build self-confidence
- Build your network by meeting business professionals and other teen entrepreneurs
- Improve your marketable skills
- Prepare for college and your career
- No cost to participate
- Opportunity to present your company at a national level through the JA National Student Leadership Summit

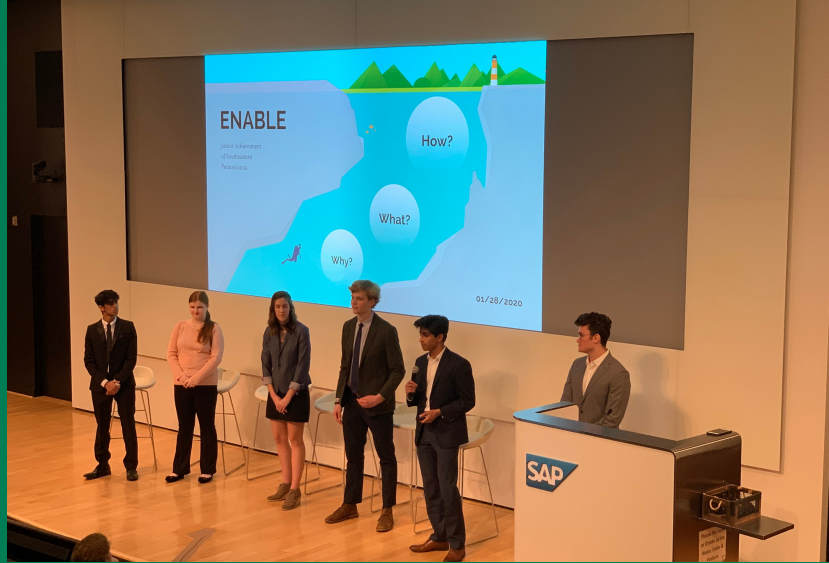

JA Company Program®

If a kid has any interest in starting or running a business, JA is unquestionably the place to start. Not to be the next Mark Cuban. To be the person any of us dream of being.

-Mark Cuban, JA Alumnus and Serial Entrepreneur

JA Alumni are  
**143% more likely**  
to be involved  
with starting a business  
than the general public
