

JA Inspire: STEM gives young people immersive, hands-on exposure to STEM careers. Through interactive exploration, direct engagement with industry professionals, and insight into real-world career pathways, students build awareness, confidence, and a clear plan for life after high school.

CAREER-CONNECTED LEARNING EXPERIENCE:

- 1,500 students | grades 7–12
- Three event days
- Interactive, hands-on career expo with STEM professionals and employers
- Pre- and post-learning components for participating students
