

## JA Rising Women

### Community College of Philadelphia Winnet Student Life Building

October 1<sup>st</sup>, 2025  
8:30am to 1:00pm

JA Rising Women is Junior Achievement of Southeastern PA's annual learning experience that empowers high school students, encouraging them to explore career options and inspiring them to think big, through a transformative learning and networking experience. Featuring in-class lessons, and followed by a culminating conference, JA Rising Women prepares participants for the next step towards their future.

In partnership with the School District of Philadelphia, this experience serves students in 11th and 12th grades. Through sponsorships, our partners have the opportunity to invite women from all levels of their organization to participate as volunteers at the culminating event.

### This experience features:

- 100 Philadelphia students and 100 professional women in attendance
- Guided Volunteer/Student Activities and Icebreakers
- Keynote Speaker
- Panel Discussion
- Networking Lunch

Students will complete pre and post-work in addition to the culminating event as part of the overall program.
